## Principal's Report 13/12/24

Hi everyone,

It's been a busy fortnight in education here at ISC. I'd like to start by congratulating our Year 10 Dux and Award recipients, who accepted their awards at the Celebration Dinner. It's always a privilege to celebrate success and to share this with our students and parents. It was great to see all the kids connecting on the dance floor after the formalities had concluded and I thank everyone involved in the organisation of the night for helping us to send the Year 10's off on such a high note.

The second big event was Year 7 Orientation Day where our Year 7 Coordinator, Kara and her team organised a very successful day to welcome our Year 6 students into our school to meet their teachers and immerse themselves in the feel of Secondary school before commencing next year. Big thank you to everyone who contributed to the smooth running of the day.

Our "Dads and Uncles" group went out on country last week to Bottle Bend where our Indigenous boys were able to spend the day connecting to country and significant male role models from our community. I want to send a huge thank you to Dennis Mitchell, Micheal Haradine, Anthony McDonald Tipungwuti, Ben Parker and David Byrnes for making themselves available over the past couple of years for our students. The impact that these sessions have on our Indigenous kids cannot be underestimated.

This year's Alpine students have been industriously digging up around our yarning circle in preparation for planting various native tree species to brighten up this area. The team have been able to secure donated shrubs for this community project and the area should look great once it's finished. Thanks to Todd and Keely for supporting the team which consists of: Jasmine Shaw, Georgia Jackson, Zoe Howard, Jaxon Barone, Nathaniel Kuchel and Xanda Diaper.

## Principal's Report 13/12/24

I had the opportunity last week go out to breakfast with our College Captains. This was an opportunity for this year's team to hand over to our future leaders for 2025. The students shared their leadership experiences with each other, asked questions, and learnt a fair bit about flag etiquette. I thank this year's team for their commitment to our community and look forward to seeing our 2025 Captains develop their leadership skills. Thanks to Bec and Erin for all the work they put into the development of our College Captains.

Looking ahead, to the last week of school, we are grateful to have Jo returning to us following her stint with the department. We have our Year 7-9 Awards Ceremonies on Monday, Lake Day on Tuesday, activities and clean up on Wednesday and Thursday, then the last day is a student free day so no students will be required to attend.

I wish everybody a safe and happy holiday period and we look forward to doing it all again next year.

Safe travels

## For students

### Wellbeing support during the school holidays

This guide provides tips to continue looking after your mental health and wellbeing during the school holidays and services to reach out to if you need support.

#### Actions that support positive mental health over the school holidays

Encourage your young person to:

- Exercise boosts mood and mental health – make it fun!
- Nourish your brain by eating healthily – it will also improve your mood
- Prioritise sleep to support mental and emotional wellbeing
- Explore relaxation techniques and coping strategies
- Stay in touch and catch up with friends and loved ones
- Make time to do things you enjoy
- Practice positive self-talk – and remember you are not alone
- Seek professional help if needed.<sup>1</sup>

**Feeling it:** [mindfulness resources and activities for students](#). Smiling Mind gives you tips on looking after yourself, understanding and managing emotions, being mindful, being kind to yourself, navigating uncertainty and preparing for change.

You may find that these actions are not enough to look after your mental health. Here are some signs you may need some support.

#### Signs that you or a friend may need mental health support

Keep an eye out and seek professional help for changes that last two or more weeks such as:

- Loss of interest or involvement in activities normally enjoyed
- Feeling 'low', unusually stressed or worried
- Ordinary things get harder
- Being easily irritated or angry
- Taking more dangerous risks, like using alcohol or drugs
- Withdrawal or feeling overwhelmed
- Difficulties with concentration and motivation
- Having a lot of negative thoughts
- Changing in sleeping and eating.<sup>2,3</sup>

## Supporting your friends

You and your friends are **most likely to turn to each other for support** before seeking out an adult or service provider. You and your friends can support each other by:

- contacting 000 if a friend needs urgent assistance or is at risk of harming themselves or others
- reaching out to a friend, offering support and letting them know you care
- letting your friend know you may need to tell a trusted adult about your concerns.

Having these types of conversations can be difficult. Information on how to support a friend is available on the headspace website: [How to help a friend going through a tough time.](#)
