

Irymple Secondary College Interschool Sports Representation Policy

Purpose:

This policy outlines the eligibility criteria and expectations for students representing Irymple Secondary College in interschool sports competitions.

Eligibility Criteria: To be considered for selection in an interschool sports team, students must meet the following requirements:

1. **Sign-Up:** Students must complete the official sign-up process via the designated Google Form by the specified due date. Late entries will not be accepted.
2. **Trials:** Students must attend all scheduled trials and demonstrate the required skills, teamwork, and sportsmanship.
3. **Participation in PE Curriculum:** Regular participation in the Physical Education (PE) curriculum is mandatory. Students who do not actively engage in PE classes may be deemed ineligible.
4. **School Attendance:** Students must maintain consistent school attendance. Excessive unexplained absences may affect eligibility.
5. **Academic Commitment:** Students must be up to date with all learning tasks and demonstrate a commitment to their academic responsibilities.
6. **Behaviour Expectations:** Students with any current suspensions will not be eligible for selection. All team members are expected to uphold the school's values and represent the college positively.

Team Selection:

- One girls' team and one boys' team will be selected per age bracket (Junior and Intermediate levels).
- Selection will be based on skill, attitude, teamwork, and adherence to the above criteria.
- The final decision on team selection will be made by the coaching staff and school representatives.
- The principal will have the final decision on whether individuals or teams can progress through to the next level of competition.

Commitment and Conduct:

- Selected students must attend all scheduled training sessions and fixtures.
- Students must wear the appropriate school sports uniform.
- Any breaches of behaviour expectations may result in removal from the team.

By adhering to this policy, Irymple Secondary College aims to foster a culture of commitment, teamwork, and excellence in interschool sports representation.
