Principal's Report 1/11/24

The jacarandas are flowering and that's a timely reminder that summer is almost here. We are approaching the halfway mark of the last term of another year and our teams are working feverishly to guide our students to success through the final 7 weeks. There is a lot going on, as usual.

Jo is out of our school for 5 weeks this term. She has taken on the role as Acting SEIL (Senior Education Improvement Leader), with the Region while Andrew Ough is on leave. We know that she'll be a great interim replacement and will certainly bring her unique style and personality to the role. Jo will return to ISC in week 8. Good luck Jo.

Our transition teams have been preparing our year 10s for the next step in their educational journey as they prepare to leave us at the end of the year as well as preparing next year's year 7 students to begin their journey with us.

We would like to encourage everyone to maintain ambitious standards for the rest of the term as this is not a time to lower them. Plans are in place for this year's celebration dinner, and we hope to send the Year 10s off on a positive note. Parents please be aware that we cannot provide families with extra tickets as the size of this year's group is likely to max out the capacity of the venue.

There is an important meeting for all parents of students who are completing a VETDSS subject next year. This meeting will be held on November 6th at ISC at 6pm. All parents and carers are encouraged to attend as these subjects have different requirements to ours and the expectations of working in an adult environment need to be fully understood so our kids can be successful in this space.

Principal's Report 1/11/24

In week 5 this term (7th November), the Wellbeing team have organised our Year 8 students to participate in a session that aims to explore empathy, support connections & create positive impacts on young people. The REACH foundation was founded by Jim Stynes and Paul Currie in 1994 with a clear vision to inspire young people to believe in themselves and get the most out of life. This initiative is a planned response to issues that the coordinators have identified as being important in this specific year level. And while I'm talking about wellbeing, it's great to have Barb O'Hara back after a period of leave. The Wellbeing team are over the moon to have Barb back as she is an integral part of the team, welcome back Barb.

You may have noticed the VicRoads sign at the front of the school indicating that there will be interruption to traffic due to an intersection upgrade on the corner of Karadoc and 15th Street between Nov 10th and 31st. I have contacted VicRoads but have not received any details about what this upgrade will involve. We are hoping that it might be the upgrade to the traffic lights that we (in conjunction with school council) have been working on for the last 5 years. The other major works being carried out at the school presently is an electrical upgrade that is being completed to help prevent the power outages that we experienced throughout the year. Some disruption to the parking areas at the front of the school may be experienced while this work is being undertaken.

Lastly, I would like to wish John Menhennett all the very best and thank him for his contribution to our school this year. John has accepted a position as "Music Coordinator" at Chaffey Secondary College. These positions do not come up very often and we wish John much success in his "dream job".

That's it from us, until next newsletter.

Stay safe and be nice to each other,

Gregor, Francis and Dee.

CARAVAN CARNIVAL DAY

Have you heard the NEWS? We are having a CARAVAN CARNIVAL DAY to raise funds for the expensive electrical items needed for the Coffee Van.

WEDNESDAY, 20TH NOVEMBER 1:30-2:30PM

(Parents / caregivers more than welcome! Just sign in at the front office first)

Some of the activities we will be having are:

- Decorating Sugar Cookie Caravan Shape Biscuits (this will be a competition in year levels for best decorated Biscuit) held at recess.
- Hand Ball Competition
- Face Painting
- Mega Raffle

Items for sale such as: Jewellery, Resin Products, Plants and Pots,

Food items such as: Pop Corn, Hot Chips, Slushies, Zooper Doopers, Cakes and Slices etc...

These are just a few of the ideas and then of course there is the Legendary Sponge Throw where students purchase tickets and get to throw a wet sponge at their 'favourite' teacher. We have quite an extensive list of teachers who have 'willingly' agreed to have a sponge thrown at them.

This is a whole school activity so if there are any students who would like to volunteer to run a stall or help on the day please come and see Ms. Corless and put your name down. I would love to see as many ISC students involved as possible.

To make life easier for the stall holders they will not be handling money, they will be taking tokens as payment instead. There will be a 'bank' where students/parents can exchange money at in order to receive tokens which will be used to purchase goods and participate in the activities. \$1.00 will equal 1 Token.

This should be heaps of fun, who doesn't love a Carnival and it will have minimum impact on learning and maximum impact on fun.

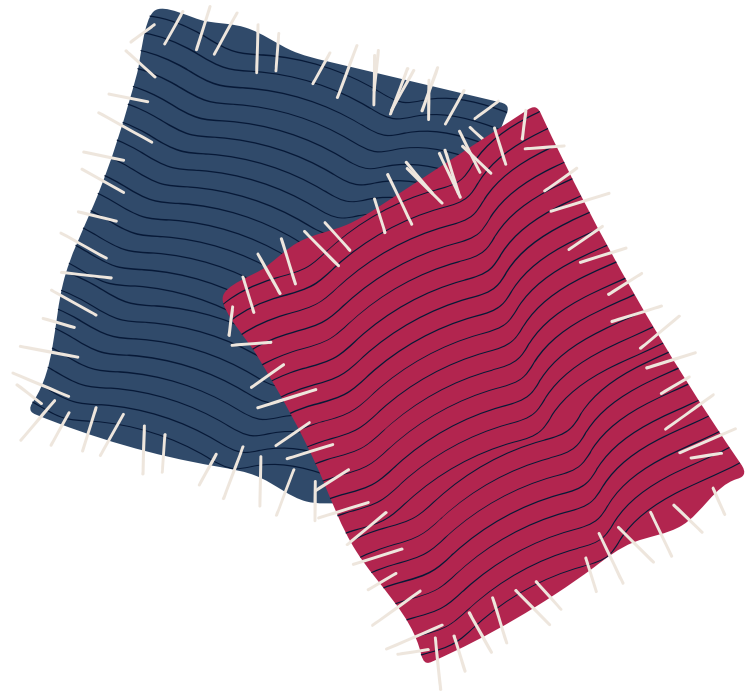

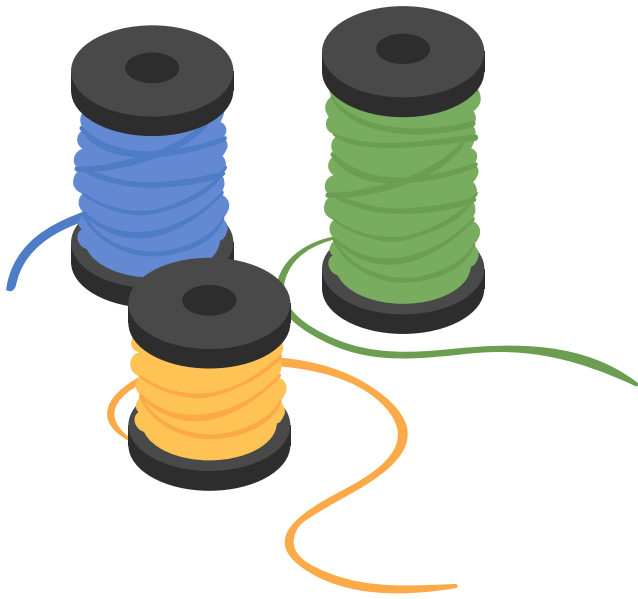

Thanks for your support everyone.

Sally Corless - FLO Cordinator

PATTERNS FOR TEXTILES

If you have any old dressmaking patterns in a back cupboard, we would love to receive them for use in our textiles classes.

Please give to a Textiles teacher or leave in the box in the FLO room. Thank you!

INTERSCHOOL INTERMEDIATE BASKETBALL

On Wednesday, October the 16th, we had Interschool Intermediate Basketball. The girls had a great day out, but unfortunately lost in the grand final. Below are their results:

- Game 1: ISC def Chaffey
- Game 2: ISC def Commie
- Game 3: ISC def Trinity
- Semi Final: ISC def Henderson
- Grand Final: St Joes def ISC

Resulting in second place. It was an amazing effort from the girls throughout the whole day. Overall, they put in a valiant effort in the Grand Final and the whole day.

Our boys were quite similar and ending up placing second, unfortunately losing in the grand final. Here were the results:

- ISC v Coomy 40 - 3.
- ISC v Trinity. 33 - 12.
- ISC v Red Cliffs. 28 - 12.
- Semi final ISC v Merbein. 22 - 15.
- Final ISC v St Joes. 22 - 24.

Overall, great sportsmanship was shown on the day and we thank Corey and Ash for coaching these teams!

LMR HOCKEY

On Wednesday the 23rd of October we sent our Girls Hockey teams off to Bendigo for Loddon Mallee Regional finals.

Our Intermediate Girls had a great day out, coming a draw (1 all) with North Central for the first game, then taking the win against Bendigo South East (2-nil) in the second game.

Unfortunately due to difficulties beyond our control, our Junior Girls missed out on playing a competitive match today, however we thank North Central Intermediate Girls for staying behind and allowing our Juniors to have a social game of fun before they departed home themselves.

We are very proud of both teams for their commitment & dedication to [#theirympleway](#) today.

PROTECTING AGAINST MOSQUITO-BORNE DISEASES

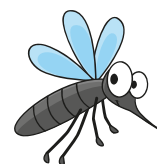

Warm and wet weather can result in greater numbers of mosquitoes and increased risk of illnesses from mosquito bites. While the overall risk is low, some mosquitoes carry diseases that make people sick.

The best protection against mosquito-borne illness is to avoid mosquito bites.

Families can protect against mosquito bites by:

- covering up as much as possible with long, loose-fitting, light-coloured clothing
- applying insect repellent that contains picaridin or DEET on exposed skin when leaving home
- limiting outdoor activity if lots of mosquitoes are active.

Families with any health concerns should see their doctor or phone NURSE-ON-CALL: 1300 606 024 (available 24 hours).

Free Japanese encephalitis vaccines

Japanese encephalitis virus is spread to humans through bites from infected mosquitoes and can cause a rare but potentially serious infection of the brain.

Free Japanese encephalitis vaccines are available to protect Victorians at higher risk of the virus.

The Victorian Department of Health encourages eligible people who live or work in high-risk local government areas to get vaccinated.

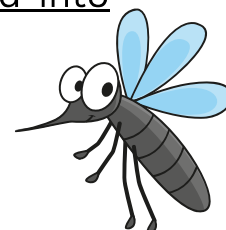

For more information, including what is considered a high-risk area and eligibility for a free vaccine, refer to the Department of Health's Japanese encephalitis webpage.

Find out more

For more information on protecting against mosquito-borne diseases, families can refer to the following Better Health Channel pages:

• Mosquitoes can carry diseases

• Protect yourself from mosquito-borne disease, including a handy checklist to help reduce mosquito breeding sites at home and resources translated into other languages.

The School Saving Bonus is not available for full-fee international students, home schooled students, TAFE students and students attending kindergarten in 2025.

We need to ensure your contact information is up to date as the Department of Education will email you twice:

Please check your junk mail regularly to make sure you do not miss an important email.
